YMCA OF SOUTHERN WEST VIRGINIA

WELCOME TO THE YMCA OF SOUTHERN WEST VIRGINIA

Since 1963 we've been an inclusive organization of men, women and children joined together by a shared commitment to nurturing the potential of kids, promoting healthy living and fostering a sense of social responsibility in the communities we call home.

OUR CAUSE DEFINES US

We know that lasting personal and social change comes about when we all work together. That's why, at the Y, strengthening community is our cause. Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive.

OUR IMPACT IS FELT EVERYDAY

With a mission to put Christian principles into practice through programs that build a healthy spirit, mind and body for all, our impact is felt when an individual makes a healthy choice, when a mentor inspires a child and when a community comes together for the common good.

BE INVOLVED

Our new Membership & Program Guide will give you everything you need to connect, be involved and have fun. From swim lessons and team sports that build self-esteem, confidence and strong muscles to exercise classes that clear your mind and strengthen your body to providing opportunities to make a difference in someone else's life, you will find the Y has something for everyone.

SOCIAL RESPONSIBILITY

Giving back and providing support to our neighbors.

VOLUNTEERISM & GIVING

Financial Support ANNUAL SUPPORT CAMPAIGN

With a focus on youth development, healthy living and social responsibility, strengthening communities is our cause. At the Y, we believe that lasting personal and social change happens when we all work together. Every day we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to be healthy, confident, connected and secure. When you give to your Y, you are funding life-changing programs that help thousands of children, adults and families right here in our community to learn, grow and thrive.

Your support helps the Y deliver on our commitment:

- To nurture the potential of youth through building confidence at camp, academic enrichment in safe afterschool programs or foundational skills and values in our child care programs.
- To improve the nation's health and well-being through combating obesity and chronic disease by providing the support and resources people need to make positive change.
- To give back and support our neighbors by empowering people with the resources to improve their lives and connect and contribute to the community.
- To offer programs and services to children, adults and families who need financial assistance.

There are three ways to support the YMCA of Southern West Virginia throughout the year:

- **Giving Online.** To make a donation to the YMCA of Southern West Virginia today, visit www.ymca.net/give. Enter our zip code (25801) or city and state (Beckley, WV) and select the YMCA of Southern West Virginia.
- **Mailing Donations.** Donations can be mailed to the YMCA of Southern West Virginia at 121 East Main Street, Beckley, WV 25801.
- **Supporting the Y's endowments through the Beckley Area Foundation.** Contributions made to the Tomlinson Endowment Fund, Ophia A. Davis and Elmer L. Davis Memorial Fund and the YMCA Youth Fund Honoring Douglas and Iris Lusk benefit the YMCA of Southern West Virginia.
