LEAGUE DESCRIPTION

SPORTSMANSHIP: We want to teach all of our players the importance of good sportsmanship. In order to do so, we expect our coaches and parents to lead the way in being a great example.

VOLUNTEERS: The YMCA operates with the help of its volunteers. All coaches have volunteered their time to make this program successful and should be treated with respect.

BE POSITIVE: Players, coaches, and referees will all make mistakes throughout the season. Please remember to always be positive and encouraging, because we are all role models to someone. Profanity and foul language will not be tolerated and has absolutely no place in our programs or youth sports as a whole.

COMPETITION: The YMCA hopes to create a healthy competitive environment where every child is encouraged to try their hardest and do their best to win. However, winning is not our main concern. We are focused on developing the player and having fun!

HAVE FUN: The YMCA's goal is for everyone to have fun in our programs. While games can get exciting, we need to be careful not to put added pressure on the players. We hope to keep a fun environment without the stress of performing to certain expectations.
